Excess Duplicate Credit

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program,

FOR OFFICIAL USE ONLY: Per the Family Educational and Right to Privacy Act of 1974, do not release this information.

please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

- SH = Semester hours
- VOC = Vocational, not relative to an academic degree
- LL = Lower Level, i.e. courses at the Freshman/Sophomore level
- UL = Upper Level, i.e. courses at the Junior/Senior level
- GL = Graduate Level (sometimes recommended by ACE for very complex courses)
- [#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
- {#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **
- * SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at http://www.soc.aascu.org/
- ** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be

accepted in transfer toward this degree.

Southwestern College General Information:

Southwestern College was chartered June 19, 1885, by the Methodists of Kansas as "an institution of learning of full collegiate powers." It opened its doors for forty-three students on September 7, 1886. The first name of the college was "The Southwest Kansas Conference College;" the name "The Southwestern College" was adopted November 5, 1908. As a private, non-for-profit institution they have been recognized repeatedly for excellence in academics, both at the main campus, in Professional Studies and SC Online. You can benefit from their reputation for excellence as a graduate of SC Online.

Self-Paced Learning: At Southwestern College Online, you are in control of your educational path. You decide each session which classes to take and when to take time off in between classes. Compared with other adult educational programs, SC Online offers a degree of flexibility that goes a step above the rest. This benefits you, as you can arrange your schedule to make school fit your life- rather than having to adjust your life around school.

24/7/365 Access: Southwestern College Professional Studies and SC Online give you choices of where and how you engage the educational process. You can study at home...at the office ...or while traveling on business since all of the classes are offered over the Internet using software called Blackboard Self-directed learners who value a convenient, flexible solution to balancing educational goals with career aspirations and family responsibilities find online learning to be an excellent choice.

Career Oriented Majors: Having a degree is only part of the battle in today's job market. Having a degree that is practical, unique, and career focused can help you gain that competitive edge. Their majors are designed with the concept of "learn it today/apply it at work tomorrow". The focus is learning not only theory but also on learning skills "hands-on" that employers are looking for.

Southwestern College is accredited by The Higher Learning Commission and is a member of the North Central Association. It is further accredited by the University Senate of the United Methodist Church and other accrediting bodies for individual majors. Southwestern students find credits taken here are fully accepted in undergraduate and graduate schools across the nation.

Tuition for students is: \$276 per credit hour. Military tiotion \$225 per credit hour for active duty military & spouses as well as National Guard, Reservist and DoD civilans. (subject to change)

Employees of government agencies, corporations, and private business may be eligible for military tuition rates if they are members of any of the seven Military Reserve or National Guard components. Check with the admissions office to determine eligibility if applicable.
